## HOW TO USE

1

Heat the charcoal  
Coco-zeal on a plate.

3

Seal the bowl with a sheet  
of aluminium foil and  
make pin-sized holes.

2

While the coal heats up,  
place the bowl in smoke.

4

Using the tweezers, hold the  
already warmed coal and  
place on the aluminium foil-  
covered bowl.

## RECOMMENDATIONS:

- Keep in a dry, clean and ventilated space, away from children.
- Do not light in confined space, without adequate ventilation.
- Do not handle the charcoal directly once lit.
- Do not use unless the coal is glowing red.
